

Helps in Praying With Others

- **Pray silently** that God would direct you to the right person.
- Ask Him for the place in **Scripture just for them**.
- **Ask** if they would like someone to pray with them. If they say, “Yes,” then continue.
- Ask their **name**.
- Ask, “**What is Jesus saying to you?**” Make sure it is specific.
- Some general appropriate Scriptures:
Ephesians 3:14-21 (filled with all the fullness of God)
I Thessalonians 5:23-24 (entire sanctification)
Ezekiel 36: 25-30 (new heart, no more famine)
See back for more Scriptures.
- **Have them read the Scripture** and place their name in it.
- **Ask them questions** regarding the Scripture (i.e. Ez. 36:29 “Will God save you from just part of our uncleanness? Just a little? What does the Scripture say?” They reply, “No, all!”)
- **Have them pray**. “Let’s talk to Jesus and you can tell Him what you told me.” If they are praying generally, gently ask, “Is He saying more to you than you are verbalizing right now?”
- **You pray**.
- Have them pray again and **thank Jesus** for what He has done, and you pray and thank Jesus.
- Have them **underline and date the Scripture** they just read. Have them write and date in a prayer notebook what God has done in their life. If they do not have a Bible or prayer notebook, help them get one.
