

# Titus Women

## ALL OF ME FOR ALL OF JESUS

We are women who know the joy of the Spirit-filled life. We live and abide in the love of Jesus, trusting that He is enough to meet every need and satisfy every heart.

### Prayers of Thanksgiving

Let's spend this week intentionally celebrating all God has done. "Thank you, God!" is something we can say no matter what. Be thankful for what we have, for who God is and the fact that He loves us each so much and because He desires a daily relationship with us. God has given us salvation through Jesus. We can be thankful for that alone for the rest of our lives.

#### Good Times to Praise God

- When you are happy
- When you are heartbroken
